HypURtension

HypURtension, serving the University of Richmond, is committed to organizing students for the intent of supporting Richmond’s football team by attending Spider football games and creating events for students centered around football. The group’s events will foster school spirit while embodying the character and principles of the University of Richmond.

Student Contact: Jasmine Fryer
Staff Advisor: Patrick Graham, Assistant Football Coach

UR Fly Fish

The purpose of the UR Fly Fish club is to bring students and faculty together who share an interest in fly fishing and river conservation by providing opportunities for fly fishing and performing environmental community service.

Student Contact: Ryan Goldsmith
Faculty Advisor: Dr. Randolph New, Professor of Management Systems
