The FAC met a few times and took the following actions during the 2008-09 Academic Year

1. Wrote a letter to the Dean of the Business School concerning the GPA cut off for admissions to the Business School
2. Sent a letter of commendation to Head Football Coach, Mike London, for the exemplary athletic and academic achievements of the 2008 National Championship Team.
3. Monitored the priority registration process for first- and second-year student athletes. Based on Registrar data, there was no discernable change in the ability of non-student athletes to enroll in courses in comparison to recent years and no increase in complaints about access to classes.
4. Met with the RCSGA to discuss the progress of priority registration.
